Pattonville Education Foundation honors “friends”

The Pattonville Education Foundation recently honored a long-time supporter with a “Friend of the Foundation” Award for her service to the Foundation and Pattonville children.

Honored during the Foundation’s recent annual dinner/dance/auction was Donette Green of Maryland Heights, who serves as the executive director of special services for the Pattonville School District.

Ms. Green has been a past president and member of the board of trustees for the foundation. She has volunteer her service for many years and continues to offer her time and energies with projects such as the dinner/dance/auction, golf tournament and Robert Drummond Book Fair, all Foundation activities.

The Friend of the Foundation Award recognizes volunteers who aid the Foundation in its mission to provide funds for innovative programs that benefit Pattonville children. Honorees may not be current members of the Foundation Board of Trustees.

The Pattonville Education Foundation is celebrating its eleventh year of providing Pattonville educators with grant monies to assist in offering a quality education for all children. For more information on the foundation, call (314) 213-8025.
