## **Pattonville electronic newsletter wins national award**

The “Board at Work” newsletter of the Pattonville School District recently earned an Award of Merit in a publications contest sponsored by the National School Public Relations Association.

The newsletter is published electronically the day after every regular school board meeting and features news about the board meeting, district events, student and staff honors, as well as a calendar of activities in the district. The publication is delivered via e-mail to all staff in the district, as well as community members who have signed up to receive Pattonville news updates. Past issues may also be found on Pattonville’s web site at [www.psdr3.org](http://www.psdr3.org). To sign up to receive the newsletter via e-mail, interested persons should send their e-mail address to [PSDnews@psdr3.org](mailto:PSDnews@psdr3.org).
