State representatives honor Pattonville leader

The Missouri Senate recently recognized Pattonville Superintendent Dr. Hugh Kinney for a statewide honor he received.

Missouri Sen. John Loudon presented Kinney with a proclamation from the Missouri Senate that recognized his recent Missouri Superintendent of the Year Award. The proclamation, which was presented to Kinney during a recent Maryland Heights Chamber of Commerce meeting, praised Kinney's leadership and success in improving student achievement and narrowing the achievement gap between black and white students.

The proclamation was offered by Loudon as well as Sen. Joan Bray. It was signed by Michael Gibbons, President Pro Tem of the Senate.
