

## **Pattonville honors business partners**

Pattonville recently honored two local businesses for being ongoing supporters of Pattonville's students. The owners of Fortel's Pizza Den in Bridgeton and Mr. Goodcents (DePaul Plaza Center) were recognized with the Pattonville School-Business Partnership of the Year Award during Pattonville's recent District Appreciation Night.

Patty Gould, Pattonville director of school-business partnerships, presented the awards to Joel and Dawn Shields of Mr. Goodcents and Denny Moore and Bill and Jane Ellebrecht of the Fortel's Pizza Den. Both establishments have been supportive of Pattonville by hosting family nights, providing gifts for reading or attendance incentives and providing their time in other ways.
