

## **Bridgeway Elementary wins landscaping award**

Bridgeway Elementary School in the Pattonville School District is the recipient of a landscaping award from the city of Bridgeton.

Principal Vicki Nienhuis recently received a letter from Bridgeton Mayor Conrad Bowers notifying her Bridgeway is receiving a certificate of recognition for the city's Spring Landscaping Awards program. The certificate recognizes the school for the outstanding appearance of the school premises. Nienhuis credited several community members for helping with the school's appearance. Parent Bruce Oelkers and his two sons, Michael and Matt, helped with their Eagle Scout projects to enhance the school flagpole area and benches at the front of the school. Bridgeway Boy Scouts and Girl Scouts also helped improve the front entrance.
