Pattonville offers preschool classes

Feb. 12 marks the start of the early childhood enrollment process for the Pattonville School District for the 2007-08 school year. Pattonville's early childhood program serves children, ages 3 to kindergarten entry and offers mostly half-day morning and afternoon options with a full-day program also available.

The tuition-based early childhood program is located at most of the elementary schools as well as the Pattonville Learning Center. Tuition begins at a little more than \$100 per month. The classes are combined with children receiving early childhood special education. All teachers in the program are certified in early childhood education. Enrollment is limited so call (314) 213-8105 to reserve a spot for your child.
