

“Superhero” PHS Homecoming set for Oct. 13

Pattonville High School will kick off its homecoming on Oct. 13 with a parade 10 a.m. The parade will begin at the intersection of Mark Twain Lane and McKelvey Road in Maryland Heights and proceed down McKelvey to the high school.

Floats and walking groups from all Pattonville schools will be featured, along with the Pirate Marching Band, Color Guard, cheerleaders and poms. The theme for homecoming is “Where Superheroes Are Made.” Prizes will be given to the best community float, the best elementary or middle school float, best class float and best club float. A prize will also be awarded for the best “superhero” costume in the parade. Terry Funderburk, Pattonville athletics/activities director, will be the parade marshal this year.

Festivities will continue at 10:30 a.m. with a barbecue sponsored by the Pattonville Alumni Association. Proceeds benefit the Alumni Association’s scholarship fund.

At 1 p.m., the Pattonville Pirates will take on the Ritenour Huskies in a homecoming game. A homecoming queen will be crowned at half-time. A homecoming dance will be held that evening.
