

## **Pirates honor “Most Inspiring Teachers”**

Members of the Pattonville High School varsity and junior varsity Pirate football teams made surprise visits to a number of staff members at their school last week as a way to recognize and thank them for inspiring them in and out of the classroom. As a token of thanks, the team members delivered their away jerseys to faculty members who inspired them the most. The visits to the students’ “Most Inspirational Staff Members” was sponsored by the football team in conjunction with the school’s Renaissance program, which is aimed at promoting and motivating students and staff to higher levels of academic achievement through rewards and incentives. Every member of the junior varsity and varsity teams participated. Honored staff members were invited to attend the varsity football home game on Sept. 21 to be recognized.
