The Pattonville School District permits a limited forum for distributing or posting information from outside organizations and businesses. The director of school-community relations (Mickey Schoonover) must approved all materials prior to the items being posted or distributed in Pattonville schools or on its Community Resources for Families website. Pattonville Board Policy KI/KJ (Public Solicitations/Advertising in the Schools) allows the following:

Nonprofit organizations

Option 1 - Stacks of flyers posted in schools

Any time during the school year, approved flyers may be placed in areas of the school designated for non-school sponsored activities for individuals to pick up as they wish. Submit an application form (see last page), sample flyer and copy of 503c tax-exempt letter (as proof of non-profit status) to Mickey Schoonover, director of school-community relations, for approval via email (mschoonover@psdr3.org). The disclaimer shown in the box at the bottom of the application form must be placed on all flyers to be posted. Once the flyer is approved, the applicant may deliver the materials to the schools.

Option 2 - Flyers delivered to parents electronically and posted online

Pattonville distributes flyers electronically through a partnership with Peachjar. To request flyer approval, visit www.peachjar.com. Register as an Enrichment Provider (account type). Upload your flyer for approval. Your flyer will be automatically submitted to Pattonville for approval. You must provide proof of tax-exempt status while registering with Peachjar. All flyers submitted for approval must have the following disclaimer printed on the flyer: "The (insert your organization's name) is independent of and not affiliated with nor sponsored by the Pattonville School District or the Pattonville Board of Education. The views, opinions and programs of the (insert your organization's name) therefore do not necessarily represent those of the Pattonville School District." Once approved, your flyer will be emailed to all parents and posted online. Peachjar charges a fee for this service that is typically much less than the cost to copy and deliver paper flyers to each school. **Do not** fill out the application form in this document.

Option 3 - Flyer packet delivered to elementary students only

Approved flyers may be included in a packet delivered to more than 3,000 elementary students once a month during the school year. Packets will be printed in black and white by the Pattonville printing department, with the participating non-profit organization paying printing costs (\$83.60 for one side, \$147.60 for two sides). Payment must be received before flyers will be printed and included in the packet. Submit application form (see last page), sample flyer in PDF form, copy of 503c tax-exempt letter (as proof of non-profit status) to Mickey Schoonover, director of school-community relations, for approval via email (mschoonover@psdr3.org). Mail or deliver payment to the Pattonville School District, c/o Mickey Schoonover, 11097 St. Charles Rock Road, St. Ann, MO 63074. The disclaimer shown in the box at the bottom of the application form must be included on all flyers to be distributed.
